Hospitalier Spirit

- **A Spirit of service:** Always put the interests of others before your own.
- **A Spirit of Availability:** People must be able to rely on you when they are in need.
- **A Spirit of Humility:** Accept whatever service is asked of you without arguing, in the spirit of Bernadette (whom Our Lady used as “her broom”).
- **A Spirit of Docility:** Be willing to learn.
- **A Spirit of Constancy:** Finish the task completely, right to the end.
- **A Spirit of Generosity:** Which commands our heart, our strength and our intelligence.
- **Respect for each individual:** Be discreet, delicate, gentle in your actions as well as your words.
